“The continued prohibition of cannabis jeopardizes the health and well-being of Canadians much more than does the substance itself.”
~ Report of the Senate Special Committee on Illegal Drugs, 2002

Help us end cannabis prohibition.

Dear Prime Minister Trudeau:

I voted for your government on the basis of your promise to legalize cannabis.

But government prosecutors are still trying to put people in jail for cannabis offences – even though it will be legal soon.

That's not right.

Declare a cannabis armistice now — all cannabis charges should be dropped until we figure out what the new rules are going to be.

We understand it will take time to create a new regulatory regime, but while we are waiting, no more ruined lives.

Justin Trudeau: save our brothers and sisters – declare a cannabis armistice now!

It's a moral imperative. Do the right thing.

Sincerely,

A peaceful, non-violent cannabis user.
